ATTN: [REDACTED]

SUBJECT: Request for Augmentation of TALENT Table of Distribution
Positions for AFCIN-3

1. Approval is requested for augmentation of the TALENT system within the Directorate of Targets of the Assistant Chief of Staff, Intelligence, Headquarters, USAF. The Assistant Chief of Staff, Intelligence has reviewed this requirement and concurs in the clearances as being essential to the achievement of a systematic exploitation and integration of materials.

2. It is presumed that approval of this requirement will provide a balance of SENSINT and TALENT clearances in the Directorate of Targets and establish an in depth analytical position which should limit future requirements to a single and occasional nature.

3. The fifty-one (51) new positions identified in Inclosure 1 to this Memorandum will afford the Director of Targets one-hundred-and-nineteen (119) TALENT spaces.
